

[Vehicle Warranty Guide]

1. Warranty Repair Contents

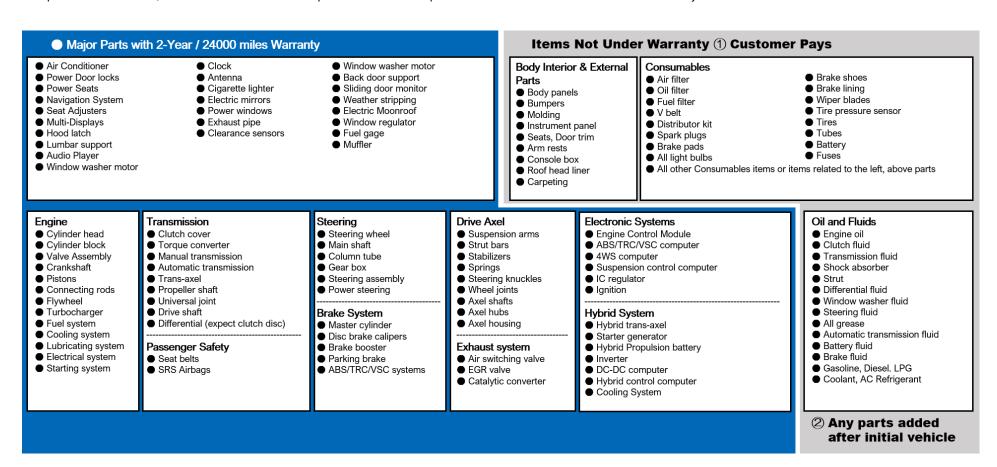

This warranty covers the vehicle owner and vehicle designated in this contract by Eco Drive Sales and Leasing (the Dealer), and the designated parts comprising the abovementioned owner's vehicle (see Part III), against defect or malfunction, for the period of the warranty, and under the terms and conditions stated in this warranty for free replacement or repair (forthwith referred to as "warrantied repair.") Any part removed in the course of warrantied repair becomes the property of the Dealer, and the Dealer shall pay no more than \$5000 for any single warrantied repair.

2. Requesting Warrantied Repairs

When requesting warrantied repairs on the vehicle the vehicle owner must bring the contracted vehicle, along with the vehicle's warranty, to the Issuer or the repair facility designated by the Issuer, and request repairs under the warranty. In cases where the vehicle owner does not present the warranty no repairs will be performed.

3. Warrantied Parts

The parts covered by this warranty (hereafter referred to as "warrantied parts") are the vehicle parts listed below. Note: Under this warranty repairs may be performed with used, reconditioned or aftermarket parts. /Consumables parts covered 1 month or 1000 miles after delivery.

4. Period of Warranty

The length of the warranty (hereafter referred to as Period of Warranty) shall be as indicated in the warranty only. Moreover, any vehicle part repaired or replaced under the warranty shall be covered by the warranty, but only for the period designated in the warranty and commencing at the time the warranty was issued.

5. Responsibilities of Vehicle Owner

Warrantied repairs on vehicle under warranty will be performed only if vehicles have been inspected and maintained per the vehicle's maintenance schedule Sheet. Vehicle owners are requested to follow the vehicle maintenance guidelines listed below. In cases where the vehicle owner has failed follow maintenance Guidelines, warranty repairs will be refused.

- a. Vehicle owners will operate and service the vehicle per the guidelines of the owner's manual.
- b. All legally required inspections and service intervals (including regular daily maintenance) and the vehicle manufacture's scheduled services will be performed.
- c. Vehicle owner will maintain complete service records and a maintenance log showing all services performed on the vehicle.
- d. All required services are performed on the vehicle per the vehicle maintenance schedule.

6. Non-Warrantied Repairs

- (1). Parts requiring repair before the commencement of the warranty period will not be covered by the warranty.
- (2). The following are not covered by the warranty;
 - a. Consumable parts which deteriorate or wear out over the course of normal usage, including: fluids such as oil and coolant, interior and exterior parts composed of resin, paint, metal, etc., which may fade or wear out over time:
 - b. Issues which do not influence the operability of the vehicle, including: noises, vibrations, oil and fluid stains, or other sensations when handling the vehicle.
- (3). When parts are shown to be functioning properly, the following external problems will not be repaired under warranty:

 Cessation of online services to the vehicle resulting from failure of telecommunication operators to maintain transmission methods, or halting of transmissions.
- (4). Damage to parts from the following external factors, which affect the vehicle system or parts but which are not due to a failure of part or a manufacture defect, will not be covered:
 - a. Airborne stones or objects, acidic rain or water, salt, bird excrement, chemicals, metallic dust, corrosive exhaust, ash or other external factors (which may cause rust, corrosion or damage to vehicle panels.)
 - b. Damage caused by Acts of God, such as earthquakes, high winds and rain/flood water, as well as fire (when the fire is not caused by defective part in the vehicle) are not covered by the warranty.
- (5). The following problems, when determined to have resulted from a failure to perform regular vehicle inspection and maintenance, or from misuse of the vehicle, or from negligence in the supervision of the vehicle's operation, will not be covered by the warranty:
 - a. Problems resulting from failure of the vehicle owner to follow legal and manufacture guidelines and recommendations for periodic and regular maintenance and exchange of parts;
 - b. Problems resulting from a failure to correct discovered in the course of daily operation, where such issues can be corrected but are not corrected and result in worsening condition or damage to the vehicle;
 - c. Problems resulting from incorrect storage or mistakes in service procedures;
 - d. Problems resulting from modifications to the vehicle, or change or removal of parts after inspection (but not where parts have been replaced under warrantied repairs);
 - e. Problems resulting from use of inappropriate or non-manufacturer specified replacement, parts or materials for the vehicle, including oil and fluids;
 - f. Problems resulting from use of the vehicle in a manner inconsistent with procedures and methods described in the owner's manual, or outside the vehicle's operating specifications.
- (6). The following are examples of maintenance and service which are outside the coverage of the warranty and for which issuer will not pay the cost or reimburse the owner:
 - a. Replacement or topping off of fluids (i.e. oil) and other consumable parts;
 - b. Parts which must be replaced per legal requirements or per the scheduled maintenance requirements of the manufacturer;
 - c. Losses, costs or inconveniences incurred by the vehicle owner due to inoperability of the vehicle (including rental car costs, lodgings, telephone, travel, lost work time, transport costs, lost business and other expenses). All such costs are the responsibility of the vehicle owner.
 - d. Cost of any repairs performed on the vehicle without the prior notification and consent of the warranty issuer/Dealer (EcoDrive.)

7. Issuance of Warranty

This warranty will be in effect only after all of the following have been entered upon the agreement: name of vehicle owner, address of vehicle owner, period of warranty, vehicle license number, vehicle identification number, current odometer reading, name of dealer and seal or signature of authorized dealer representative.

8. Termination of Warranty

At the end of the period indicated on the warranty this warranty will no longer be in effect. Likewise, if the car is sold to another party, or removed from the United States, the warranty is automatically cancelled. If for any reason the warranty becomes null and void during the period of the warranty the issuer will not reimburse the owner for the whole or partial value of the warranty.
